

## D24 Prox Key Fobs

Continuing to expand options to optimize your prox solutions...

Blue -001

Gray -101

### Introducing our Prox Key Fobs in Blue or Gray

These provide the ideal prox product option featuring compact dimensions, durability, & optimal functionality factor. With the advantage of size and the key chain feature, your customers are able to issue prox security with the convenience of portability.

Ideal for multiple applications including everything from membership, students, staff, or guests, they enable retention of security and provide access control that your customers can easily carry with them wherever they go.
