D24 Breakaway Keytag

Continuing to expand options to optimize your prox solutions…

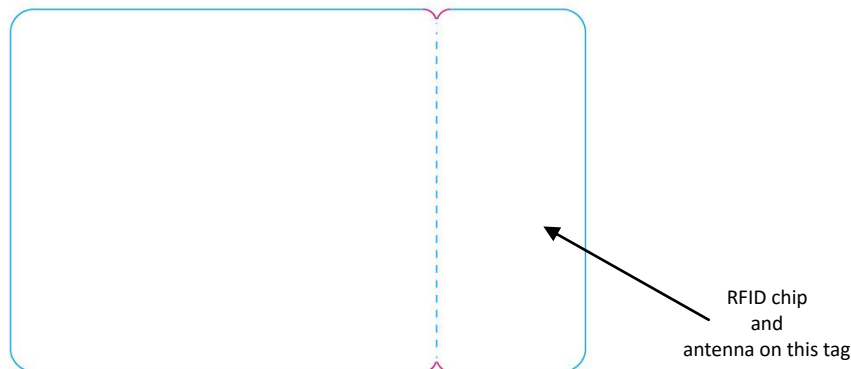

Member ID   Prox Keytag

Introducing the Breakaway Card + Prox Keytag in 1 Printable Card

We are excited to announce the expansion of our available assortment of product options with the addition of the dual 2 in 1, membership/id card + breakaway keytag. Now available in either LF or HF Prox technology.

With the convenience of a wallet sized card + secure RFID technology prox tag that allows for easy portability on key chains. This product option has proven highly successful in everything from membership/customer loyalty issuance to facilities that make use of secure access control systems.
